Milestone 4 ♦ Lesson 15

Five little ducks went out one day... How many ducks are behind the hill?

1 2 3 4 5

1 2 3 4 5

1 2 3 4 5

1 2 3 4 5

1 2 3 4 5

Milestone 5 ♦ Lesson 1

✂ Build the patterns using Sumstix then colour the patterns to match.

Milestone 5 ♦ Lesson 2

Top two rows: continue the pattern. Bottom row: make your own pattern!

Milestone 5 ♦ Lesson 3

Cut out the shapes and sort the by COLOUR.

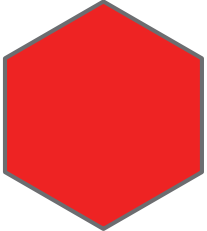

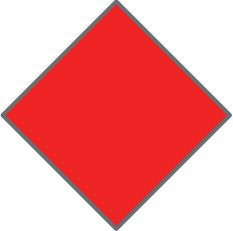

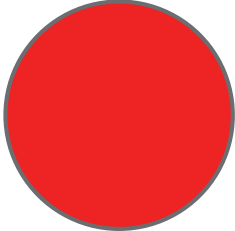

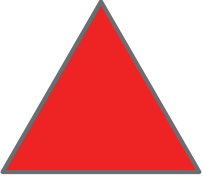

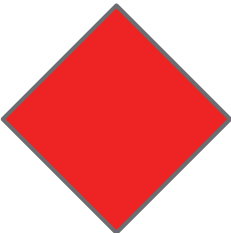

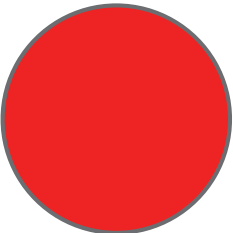

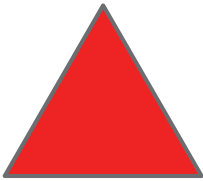

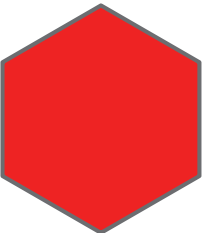

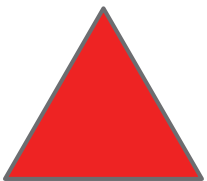

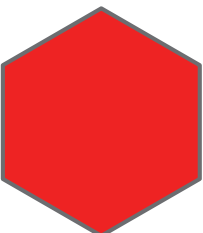

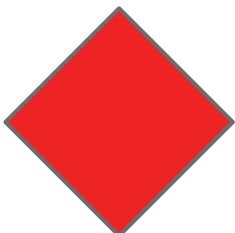

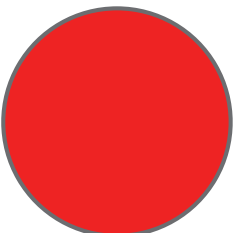

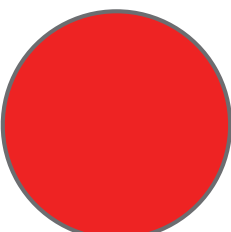

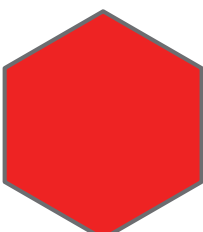

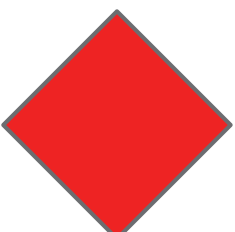

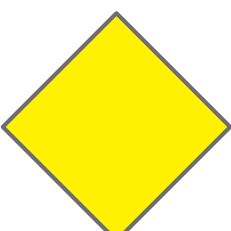

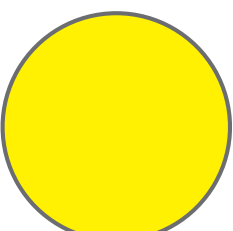

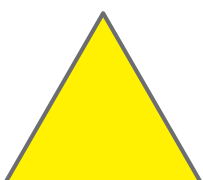

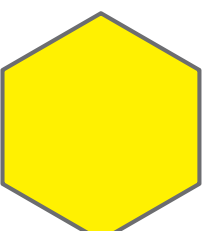

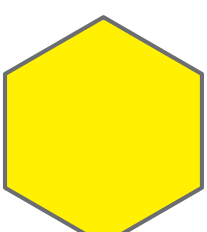

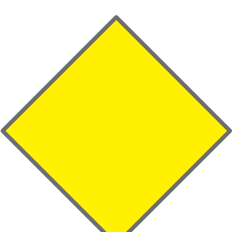

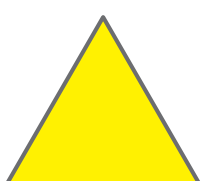

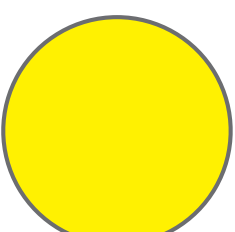

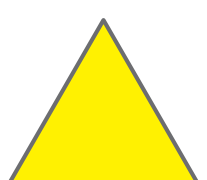

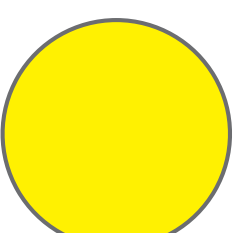

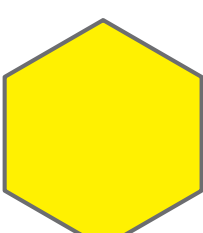

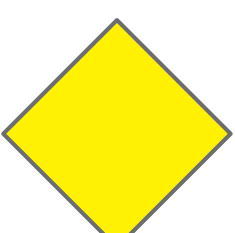

Milestone 5 ♦ Lesson 3

✂ Glue the shapes you cut out here. Remember to sort by colour!

Milestone 5 ♦ Lesson 4

Cut out the shapes and sort by SHAPE.

Milestone 5 ♦ Lesson 4

✂ Glue the shapes from the previous page here. Remember to sort by shape!

Milestone 5 ♦ Lesson 5

✂ Circle the shape that does not fit the pattern in each row.

Milestone 5 ♦ Lesson 6

✂ Make your own patterns! You can use the shapes on the next page or draw your own. You can also use 'found' materials like leaves, flowers etc.

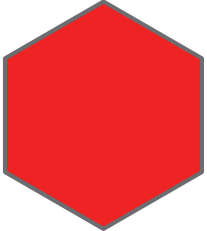

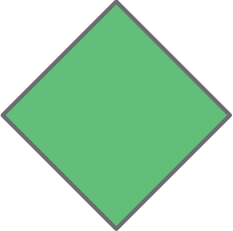

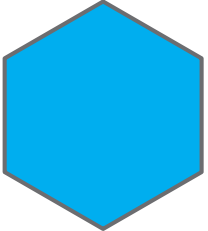

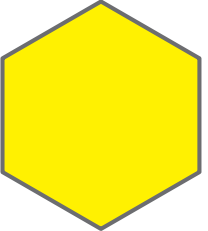

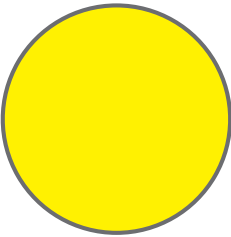

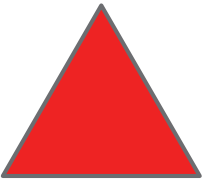

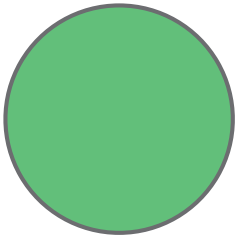

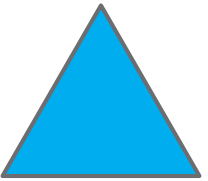

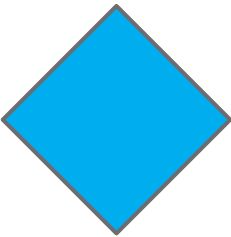

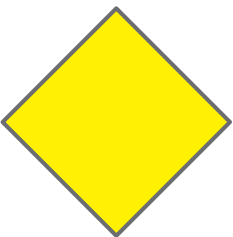

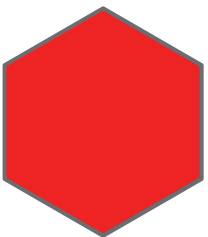

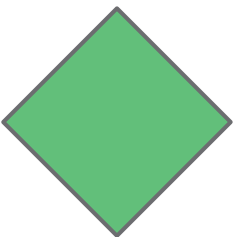

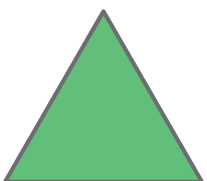

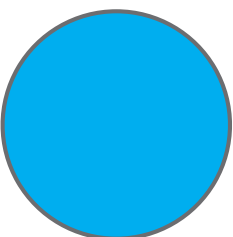

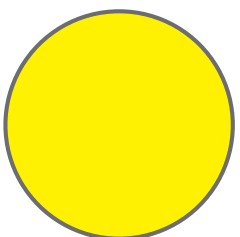

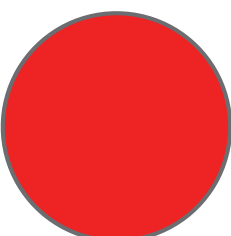

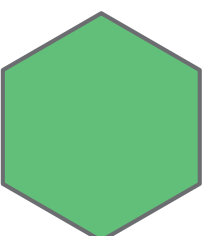

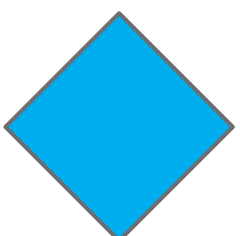

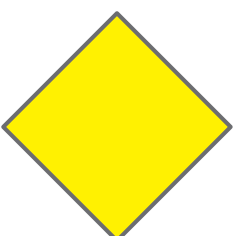

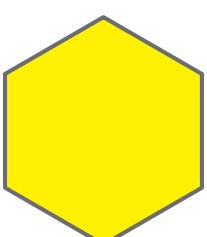

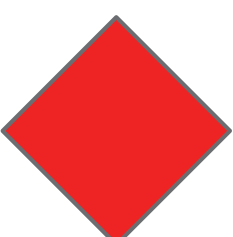

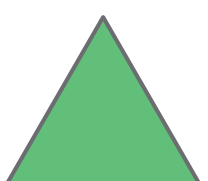

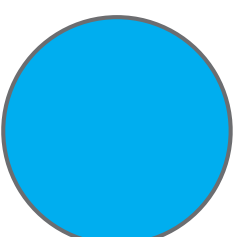

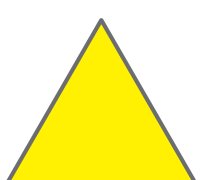

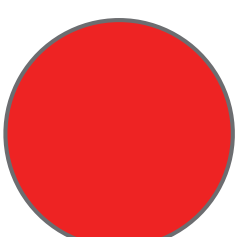

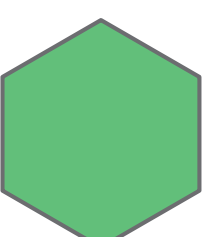

Milestone 5 ♦ Lesson 6

You can use these shapes to make your own patterns with.

Milestone 5 ♦ Lesson 7

Sort the shapes by SHAPE and glue them on the next page.

Milestone 5 ♦ Lesson 7

✂ Sort the shapes from the previous page by shape and glue them here.

A large grid for sorting shapes, consisting of a vertical line and a horizontal line intersecting at the center, creating four quadrants.

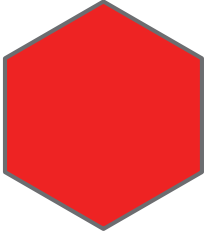

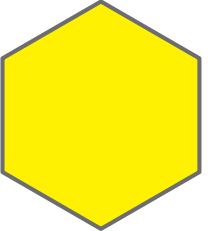

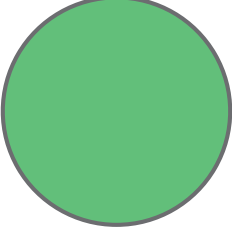

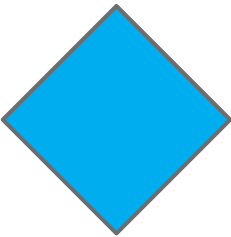

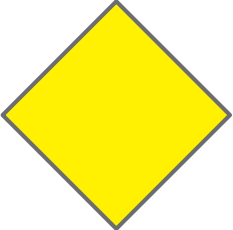

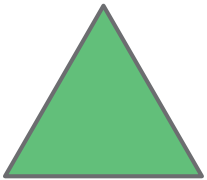

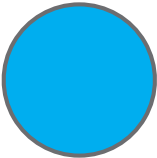

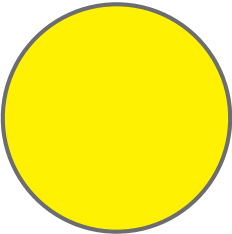

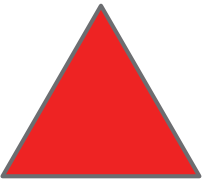

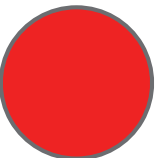

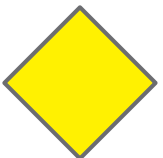

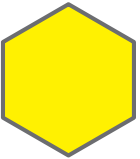

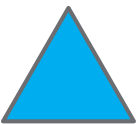

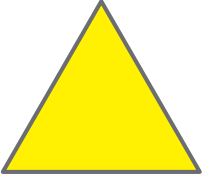

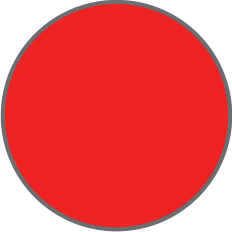

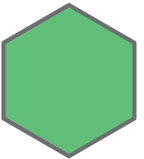

Milestone 5 ♦ Lesson 8

✂ Drawing patterns. Draw the next shape in the patterns then draw your own pattern at the bottom of the page!

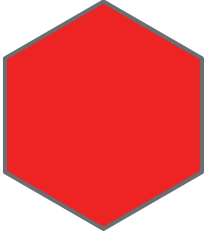

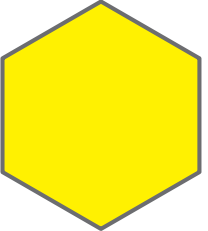

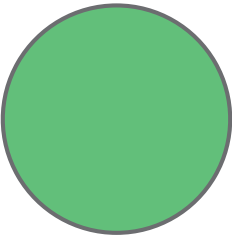

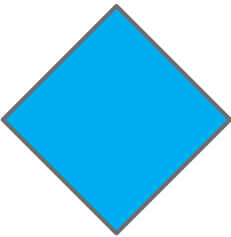

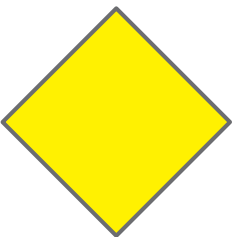

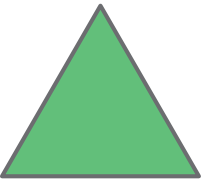

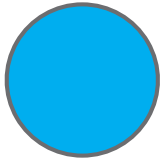

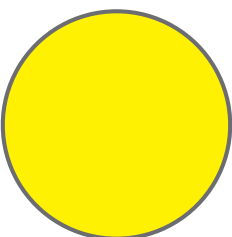

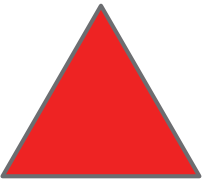

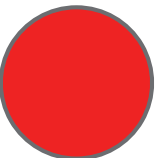

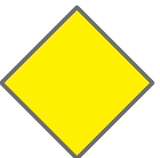

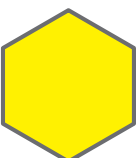

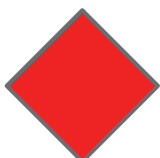

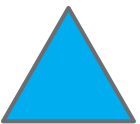

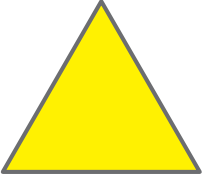

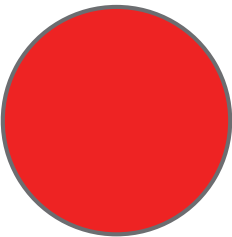

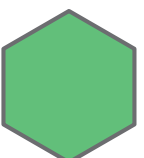

Milestone 5 ♦ Lesson 9

Sort the shapes by SIZE. Glue them on the next page.

Milestone 5 ♦ Lesson 10

Choose how to sort the shapes. You may sort these by colour, shape or size. Your choice!

Milestone 5 ♦ Lesson 10

✂ Glue the shape from the previous page onto this page. Sort them how you wish. Parent note: Draw dividing lines to suit the number of groups.
